On September 16, 1995, Ruben Barnett filed a complaint against South Anderson Water District ("South Anderson") concerning South Anderson's reimbursement policy as it applies to a water line extension for which he paid. South Anderson was directed by Order to Satisfy or Answer the Complaint. South Anderson answered on September 25, 1995. The parties have filed additional information in response to the Commission's November 3, 1995 Order. These responses need to be clarified.

IT IS ORDERED that the parties shall file the original and 6 copies of the following information with the Commission with a copy to the other party of record no later than fifteen days from the date of this Order. The parties shall furnish with each response the name of the witness who will be available to respond to questions concerning the information requested should a public hearing be scheduled.

Was the 4,770 foot, three inch water line to Mr. Barnett's property on Rice Road installed to serve a proposed real estate

subdivision or to provide water service for Mr. Barnett's personal use? Provide a detailed explanation of the circumstances surrounding the extension and copies of any documents which support your answer.
